## The entry form is split into two parts, with the judges looking for evidence of the following:

- What is the background to your entry? Consider the situation prior to the initiative starting and what the factors were that prompted the entry.
- What did you want to achieve? Consider why the anticipated outcomes were important to delivering sustainable healthcare and how the project would contribute to this aim.
- What did you do / what was your solution?
- What are the benefits or outcomes from your project? (realised or projected). This does not need to be complete but there does need to be a demonstrable change from the status quo.
- Please share any supporting evidence or relevant documents that showcase your project. These can include photos, or anything you have developed to support the success of your project. (These can be attached to the entry form and emailed to [m.taylor@healthindustryleaders.com](mailto:m.taylor@healthindustryleaders.com))

\*\*By submitting your entry, you allow Health Industry Leaders to share your data with our judges and wider NHS in Wales\*\*

\*\*Deadline for submission is 28 February 2025, with the shortlist due to be announced in April 2025\*\*

\*\*All award categories are open to entry for both industry and NHS bodies\*\*

\*\*Please can you ensure the logo you wish to use for any subsequent promotion for the awards is submitted in a vector file\*\*
